Contract of Insurance

Introduction

This Policy is a contract between Us and You, the Policyholder.

In return for You paying the agreed premium, We will provide insurance cover, subject to the Terms, Exceptions, Exclusions, Conditions and Endorsements contained in or endorsed upon this Policy for the cover shown in Your Motor Insurance Schedule for accident, injury, loss or damage that happens during the Period of Insurance shown on Your Certificate of Motor Insurance and within the Territorial Limits.

This contract of insurance is based on the answers and any other information You gave Us when taking out cover confirmed in the Private Car Statement of Insurance. It is an offence under the Road Traffic Act to make a false statement or withhold information for the purposes of obtaining Motor Insurance. You are required by the Consumer Insurance (Disclosure and Representations) Act 2012 to take reasonable care to answer all questions asked honestly, accurately and to the best of Your knowledge and that any other information given either verbally or in writing by You, or on Your behalf, at the time You applied for insurance is also complete. Failure to supply accurate and complete answers may mean Your Policy is invalid and that it does not operate in the event of a claim.

It is not intended that the Contracts (Rights of Third Parties) Act 1999 should confer any additional rights under this Policy in favour of any third party.

Your car insurance contract is made up of the following documents, which should be read together:

- This Policy Wording document
- The Motor Insurance Schedule
- The Certificate of Motor Insurance
- The Statement of Insurance

Please carefully read all the documents that form Your contract of insurance and make sure that the insurance meets with Your requirements.

You must inform Your Broker immediately if any of the details are incorrect or if You have any concerns with this Policy Wording document, or You do not understand it or any of the Terms or Conditions contained in it. Please keep all Your documents in a safe place. You can view or download Your Policy Documents at any time from the Broker's website.

Your Policy is underwritten by:

Southern Rock Insurance Company Limited.

Office 3A-C, Leisure Island Business Centre, 23 Ocean Village Promenade, Gibraltar.

If, for any reason, Southern Rock Insurance Company Limited is unable to fulfil all or part of its responsibility to You under your Policy, You may be entitled to compensation from the Financial Services Compensation Scheme (FSCS). Further information about Us and the compensation scheme arrangements can be found under the General Information Section of this document.

Information about Your Policy documents

Your car insurance contract is made up of:

- This Policy Wording document;
- Your Schedule which has details of You and any Named Driver(s), Your insurer, Your Car and the cover provided;
- Your current Certificate of Motor Insurance which details the Car that is covered, who is entitled to drive the Car, what the Car can be used for, and the Period of Insurance; and
- Your Statement of Insurance which shows all the information You have provided Us and on which the cover has been based.

Your Schedule will show You which Sections, Excesses and Endorsements in this Policy apply to You. You should keep a record (including copies of letters) of all the information You supply Us with, in relation to this insurance.

Your Cancellation Rights

For full details, please see the cancellation Section 17 of this Policy Wording document.

Cooling-off Period

You have the right to cancel this contract of insurance without giving any reason, within 14 days of receiving the Policy documents or the start date of the Policy, whichever is later.

If You exercise Your right to cancel during this initial period of cover, You will be entitled to a refund of premium paid provided cover has not yet commenced, that You have not made a claim, or a claim has not been made against You. If cover has commenced, Your refund will be subject to a deduction for the time You have been covered and for any costs incurred in issuing the Policy. All administration fees and charges are detailed fully in the Broker's Terms of Business.

Cancellation Rights

We have the right to cancel Your Policy at any time by giving You 7 days' notice in writing. We will send a cancellation letter to the latest address We have for You and will set out the reason for cancellation in the letter. We will not cancel Your Policy without a valid reason for doing so.

We may also cancel this Policy with immediate effect and without refunding Your premium if You:

- Do not keep to the Terms and Conditions of this Policy.
- Make or try to make a fraudulent claim under this Policy or where We reasonably suspect fraud.
- Fail to cooperate with Our representatives.

Claims service

How to Make a Claim

To make a claim, or to report an incident which may result in a claim, call the 24-hour Claims Helpline on 0344 840 9503 (Option 4). Lines are open 365 days a year.

Please note that You must report all incidents to Us that you or any Named Driver is involved in no matter how trivial and regardless of blame, within 24 hours of the incident, ideally within the first hour. This is whether You wish to make a claim under the Policy or not. Delay in notification of an incident to Us may invalidate Your right to claim. When You call, please have ready:

- Your current Certificate of Motor Insurance,
- Details of the driver if other than Yourself,
- Your Car; and
- Details of the incident itself.

If Your claim is due to Theft, attempted Theft or Vandalism You must also inform the police and obtain a crime reference number. Our operators will take down full details of the incident. Our operators will also provide every assistance to ensure the least inconvenience to You, and through the use of the extensive Approved Repairer network, can ensure (if Your cover is relevant) a fast and efficient repair.

If for any reason You have not been able to exchange details with other driver(s) or owner(s) of property or You were in collision with an animal, You must report the accident to the police as soon as possible and certainly within 24 hours of the accident. We will deal with Your claim and claims made against You, as quickly and fairly as possible. Please read the General Conditions Applying to the Whole Policy - Section 16. For Our joint protection, telephone calls may be recorded and monitored by Us.

Windscreen Claims Notification

To make a claim, please contact the Glass Helpline on 0800 955 0108 to arrange for replacement or repair of Your windscreen or windows. Windscreen and Glass Cover is set out in Section 6 of this Policy Wording document. Please ensure You have the relevant cover before claiming.

Repairs

By using Our nominated repairer, You will benefit from a number of things, including a guarantee for Your repairs, and authorisation and payment direct to the repairer. All You need to do is pay Your Excess. You are of course permitted to use Your own repairer, however, You will not be entitled to the benefits shown in the table below and will need to submit repair estimates to Us for authorisation, which may delay the progress of your claim.

Repairs	If the damage to Your Car is covered under Your Policy and can be repaired, then We will arrange for one of Our nominated repairers to contact You.
Authorisation	You do not need to get any estimates and Your repairs can begin as soon as We have authorised them.
Delivery	When the work is complete, the repairer will contact You to arrange a convenient time to deliver Your Car back to You.
Payment	We will pay the bill. All You need to do is pay any Policy Excess to the repairer before the Car is delivered back to You.

If Your Car is a total loss (a write off), We will ask You to send in Your original documents (for example V5C and MOT certificate). Remember to clear Your Car of personal belongings.

If You are covered under Section 1 and Your Car is repaired by one of Our Approved Repairers, You will be supplied with a small manual hatchback Car while Your Car is being repaired, subject to availability. Full details on Courtesy Cars can be found in Section 5.

If You Have an Accident

Regardless of blame it is important that You take the following action:

Stop

- Stop as soon as possible, in a safe place (if You have a warning triangle, place it well before the obstruction). If anybody has been injured, call the police and ambulance service.

Sketch

- Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in Your Car). If You have a dashboard camera, ensure you save any footage it has recorded.

Note

- The vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name, address and telephone number of any witnesses to the accident.
- The name, telephone number and constabulary of any police officer who attends the accident

Take a photo

- If You have a mobile phone with You that is fitted with a camera, try and take photographs to support the positions of the vehicles and the extent of damage.

Provide

- You must give Your own details to anyone who has reasonable grounds for requesting them.

DO NOT

- Do not admit responsibility, either verbally or in writing, or offer to make any payment. Instead, ask any other person involved in the accident to contact Us on the 24-hour claims helpline number above. By getting the other person(s) involved in the accident to ring the 24-hour helpline, You will give him/ her the opportunity of obtaining Our assistance in progressing repairs.

Guide to Cover

You will be entitled to specific Policy features and benefits depending on the type of cover that you have selected.

Third Party Only (TPO) is the most basic level of cover, which only affords protection for damage or injury to Third Parties caused by Your Car.

If You are paying Your insurance premium by instalments and We settle a total loss claim under this Section all outstanding premium may be deducted from the claim's settlement.

We, as Your insurer, shall be entitled to conduct the defence or settlement of any claim and to instruct the solicitors of Our choice to act for You in any proceedings. In circumstances where it is considered appropriate We will be entitled to admit liability, for the costs covered under this Policy, on behalf of You or any person claiming Indemnity under the Policy. Such admissions may be made prior to or after the commencement of proceedings in relation to any event likely to give rise to a claim under the Policy.

No admission, offer, promise, payment or Indemnity shall be made by You or any person (or on behalf of any person) claiming Indemnity under the Policy.

Costs You may be liable for

- If Your claim is accepted by Us, and any changes to Your Policy since it started are identified, You may need to pay an additional premium and any associated fees.
- If Your claim is settled on a total loss basis and You do not replace Your Car under this Policy, You will be liable to pay Your full annual premium, for which We reserve the right to deduct from Your claims settlement.

If under the laws of any country in which this insurance applies, We have to make payments which but for those laws would not be covered by this Policy, You must repay the amounts to Us. If any claims or other monies are paid to You by mistake for any reason, or a claim has been paid which We later find to be fraudulent, false or exaggerated, You must repay the amount paid by Us.

You or the person who caused the accident must also repay Us any money We have to pay because of any agreement We have with the Motor Insurers' Bureau.

Any payment We make under this condition will prejudice Your No Claim Bonus and will also mean that there will be no entitlement to a refund of premium if the Policy is cancelled or declared void.

4. Other insurance

If any liability, loss or damage is covered by any other insurance, We will only pay Our share of the claim in accordance with our legal liability. This condition does not apply to Section 8 - Personal Accident.

5. Keeping to this Policy

We will only provide the cover described in this Policy if:

- anyone claiming cover has kept to all its Terms, Conditions and Endorsements; and
- the information You gave on Your Statement of Insurance and declarations is correct and complete to the best of your knowledge and belief.

6. Non-payment of premiums

We reserve the right to cancel this Policy immediately on written notice in the event of non-payment of the premium. If You are paying the premiums monthly and You fail to pay an instalment when due, or fail to maintain a Direct Debit Mandate and such default is not corrected within the time permitted by the Consumer Credit Act 1974, the whole of the outstanding balance will become due and payable. If this sum is not paid within seven days, the insurance cover will be cancelled. In the event of a total loss claim under this Policy, all remaining monthly premiums for the Period of Insurance will immediately become due. We reserve the right to deduct this amount from the claim's settlement.

7. Car sharing

The receipt of financial contributions as part of a car-sharing arrangement for social or similar purposes in respect of the carriage of passengers will not be regarded as the carriage of passengers for hire or reward (or the use of the Car for hiring) provided that:

- The Car is not constructed or adapted to carry more than seven passengers (excluding the driver).
- The passengers are not being carried in the course of a business of carrying passengers.
- The total contributions received for the journey do not involve an element of profit.

8. Fraud

You must not act in a fraudulent manner. If You or anyone acting for You:

- mislead Us in any way, including who is the main user of the car, in order to obtain insurance from us, with more favourable Terms or to reduce Your premium; or
- make a claim under the Policy knowing the claim to be false or fraudulently exaggerated in any respect; or
- submit a document in support of a Policy or claim knowing the document to be forged or false in any respect; or
- make a claim in respect of any loss or damage caused by Your wilful act or with Your connivance.

Then:

- We shall not pay the claim.
- We shall not pay any other claim which has been or will be made under the Policy.
- We may cancel or declare the Policy void.
- We shall be entitled to recover from You the amount of any claim already paid under the Policy.
- We shall not make any return of premium.
- We may inform the Police of the circumstances.

9. Victim of Crime

The circumstances of any claim which arises as a result of You being a victim of crime must be reported to Police as soon as practicable. You must fully cooperate with all resulting Police enquiries and any resulting prosecution of offenders.

Section 17

This Section contains important notes about rights of cancellation. You must read these notes carefully. To cancel this Policy, You should contact Your broker.

Your Cancellation Rights

You may cancel this Policy at any time by notifying Your broker of the cancellation in writing.

During the cooling-off period (14 days)

If You cancel Your Policy within the first 14 days either from the day of purchase of the contract or the day on which You receive Your Policy documentation, whichever is later, You will be entitled to a refund of the premium paid (as long as You have not made a claim, or a claim having been made against You), subject to a deduction for the time You have been covered and for any costs incurred in issuing the Policy, as detailed in the Broker's Terms of Business.

After the cooling-off period

You may cancel this Policy at any time by notifying Us or Your broker of the cancellation in writing. On cancellation, You will be entitled to a refund of the premium paid (as long as You have not made a claim, or a claim having been made against You), after deducting the cancellation charge and a deduction for the time You have been covered, as set out in the Broker's Terms of Business.

Our Cancellation Rights

During the Period of Insurance

We have the right to cancel Your Policy at any time by giving You seven days' notice in writing where there is an exceptional or valid reason for doing so. We will send Our cancellation letter to the latest address We have for You and will set out the reason for cancellation in Our letter. Exceptional or valid reasons may include but are not limited to:

- a. Where We have been unable to collect a premium payment. In this case We will contact You requesting payment. If We do not receive payment We will write to You notifying a period for payment, after which We may cancel Your Policy. If We have not received Your payment by the end of the period notified to You, We will issue a letter confirming We have cancelled Your Policy.
- b. Where You are required in accordance with the Terms of this Policy Wording document to cooperate with Us, or send Us information or documentation and You fail to do so in a way that significantly hinders Our ability to process a claim, or Our ability to defend Our interests.
- c. Where We do not receive evidence of Your No Claim Bonus, licences for all drivers named on Your Policy or any other valid requests to support the accuracy of information You gave Us and on which Your insurance Terms are based upon.
- d. Where You do not take care of Your Car as required in the Section 16 - General Conditions Applying to the Whole Policy.
- e. Where necessary to comply with any applicable laws or regulations.
- f. If We decide for reasons of strategy or cost that it is no longer viable for Us to continue to provide cover within the particular country or market sector that applies to Your Policy.
- g. In the unlikely event that for any of the reasons listed in Section 15 - General Exclusions Applying to the Whole Policy - We expect to experience unsustainable losses for the particular country or market sector that applies to Your Policy.

Alternatively, We have the right to cancel Your Policy immediately, at any time during the Period of Insurance, where there is evidence of fraud or a valid reason for doing so. We will still send Our cancellation letter to the latest postal or email address We have for You and will set out the reason for cancellation in Our letter. Valid reasons allowing Us to immediately cancel may include but are not limited to:

- a) Where You deliberately or recklessly tell Us something which is untrue or misleading in response to any question We ask You when You take out cover under this Policy, or amend Your cover under this Policy.
- b) Where You have carelessly misrepresented relevant information which, if correctly represented at the time of application, would have caused Us to decline Your application for cover.
- c) Where We have evidence of fraud or dishonesty.
- d) Where We have evidence of abusive or threatening behaviour.
- e) If We discover that Your Car is currently impounded by any government or public authority.
- f) Not having paid or agreeing to pay the premium.
- g) If You are in breach of any of the Terms, Exceptions, Exclusions, Conditions or Endorsements contained in or endorsed upon this Policy.
- h) In the event that Your Car has been deemed a total loss or has been stolen and not recovered but You have not changed the vehicle insured under Your Policy within 14 days of the claim being settled.

Note: If We cancel Your cover as a result of points a) or c) directly above, We will not return any premiums You have paid.

If premium has been paid for any period beyond the date of cancellation of this insurance, the relevant pro-rata portion of this premium will be refunded to You, unless the cancellation reason is either a) or c) above. In this case, we will not return any premiums you have paid. If an incident has arisen during the Period of Insurance, which has or will give rise to a claim, then no refund will be issued.

Section 18

Changes which may affect Your cover

The Terms of Your Policy and premium are based on the information You have given us. If any of this information changes You must notify Us by calling Your broker. Below are some examples of what You should tell us. Please note these lists are not exhaustive and You should contact Your Broker if You are unsure about whether You need to inform Us of a change. Any changes to Your Policy will be subject to Our agreement and may not be acceptable, therefore please contact Your Broker for guidance on changes You wish to make. If a change to Your Policy is acceptable it may result in revised Terms and/or a change in the premium. Any changes to Your Policy may also be subject to administration fee charged by Your Broker. We reserve the right to request further documentation following a change made to Your Policy, such as proof ownership and/or confirmation of the registered keeper.

You must tell Us immediately if:

- You change Your address or the address where Your Car is normally kept;
- You or anyone covered by this Policy ceasing or changing jobs, or starting a new job, including any part-time work; or
- Your or any insured driver's driving licence is revoked either temporarily or permanently, or the status of the driving licence has changed, e.g. if You or any insured driver has passed their driving test.

You must tell Us about the following beforehand:

- If You intend to change Your Car or its registration number.
- If You intend to change what You use Your vehicle for.
- If You want to include other drivers or intend to change the main driver.
- If You intend to modify Your Car from the manufacturer's standard specification.

Modifications include optional extras and any changes to bodywork; these include but are not limited to:

- Changes to the bodywork, such as spoilers or body kits.
- Changes to suspension or brakes.
- Cosmetic changes such as alloy wheels.
- Changes affecting performance and/or handling, such as changes to the engine management system or exhaust system.
- Changes to the audio/entertainment system.

Please be aware that this is not a full list of all possible changes. All changes made from the manufacturer's standard specification must be disclosed. This Policy does not cover any non-standard parts (modifications). Manufacturer's optional extras are only covered if they have been declared and We have agreed to arrange cover for them.

If You make a claim for loss or damage to Your Car, We will only pay the cost of replacing parts needed for Your Car to meet the manufacturer's standard specification. Failure to notify Us of a modification may result in Your Policy being cancelled or treated as if it never existed, or in Your claim being rejected or not fully paid.

You must tell Us about the following when You renew Your Policy:

If there have been any changes to the insurance details of You or any other person named as a driver under this Policy. Such changes to insurance details include, but are not limited to:

- Any information listed on Section 18, that should be advised immediately or beforehand.
- Any accidents, claims, losses or damages to any vehicle, whether or not a claim was made and regardless of blame. This includes all types of claims, damages or accidents such as Fire, Theft or glass damage (windscreen or window).

- Any prosecutions or motoring convictions that You or any insured drivers have received during the year, or any pending prosecutions, motoring convictions or fixed penalty notices or licence Endorsements.
- Any medical or physical condition or disability, for You or any insured drivers, that is notifiable to the Driver and Vehicle Licensing Agency (DVLA)/Driver & Vehicle Agency Northern Ireland (DVANI) which has not been notified to and accepted by the DVLA/DVANI.
- Any non-motoring convictions for all drivers that are not considered spent. A spent conviction is one which, under the Terms of the Rehabilitation of Offenders Act 1974, can be effectively ignored after a specified amount of time. If, however You have received a prison sentence of more than four years, Your conviction will never become spent.

Failure to notify any required changes and to take reasonable care to ensure that any information supplied is provided honestly, fully and correctly may result in Your Policy being cancelled or treated as if it never existed, or in Your claim being rejected or not fully paid.

Section 19

General Information

Data Protection Notice

This Data Protection Notice explains how We may use Your details. It tells You about the registers and databases that We and others have in place, which help to detect and prevent fraudulent applications and claims, and must be shown to any party related to the insurance. All phone calls relating to applications and claims may be monitored and recorded and the recordings used for fraud prevention and detection, training and quality control purposes. Your privacy is important to Us and We assure You that We will respect Your personal information. We will share information with other insurers and We will use Your information to manage Your insurance with Us, including underwriting, claims handling and statistical analysis. Please be aware this may include disclosing Your personal information to any agents who provide services on Our behalf, including those located outside the European Economic Area. By accepting this insurance You consent to such use of Your personal data. Please refer to the supplementary document titled "Data Protection Notice"

Sensitive Data

In order to assess the Terms of the insurance contract or administer claims which arise, We may also need to collect sensitive data such as medical history or criminal convictions. We will not use this data except for the specific purpose for which You provide it and to provide the services described in this Policy Wording document.

For more information on Data Protection legislation You may also write to the Information Commissioner's Office at: Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Telephone: 0303 123 1113

E-mail: casework@ico.org.uk

Access to Your Information

You can write to Us at any time to obtain details of the information held about You. Please write to: Data Protection Officer, Rock Services Ltd, Lysander House, Catbrain Lane, Cribbs Causeway, Bristol, BS10 7TQ.

Motor Insurance Database (MID)

Information relating to Your insurance Policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including The Police, The DVLA, The DVANI, The Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- i. Electronic Licensing
- ii. Continuous Insurance Enforcement
- iii. Law enforcement (prevention, detection, apprehension and / or prosecution of offenders)
- iv. The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving

If You are involved in a road traffic incident (either in the United Kingdom, the EEA or certain other territories), insurers and / or the MIB may search the MID to obtain relevant information. Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic incident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds Your correct registration mark. If it is incorrectly shown on the MID You are at risk of having Your Car seized by the police. Please let Us know immediately if Your vehicle registration mark is showing incorrectly on Your documents. It is a legal requirement in Great Britain to have continuous insurance in place for Your Car and if there is no record on the MID showing Your Car is insured and You have not declared it as "off road" by completing a SORN (Statutory Off Road Notification), You may receive a letter from the DVLA advising that You could receive a fine or

prosecution and the Car could also be clamped, seized and ultimately destroyed. You can check that Your correct registration number details are shown on the MID website at www.askmid.com.

You should show this notice to anyone insured to drive Your Car covered under this Policy.

DVLA My Licence

This Section explains how We may use details You provide Us with. You should show this notice to anyone covered or proposed to be covered under this Policy / prospective Policy. For details relating to information held about You by the Driver and Vehicle Licensing Agency (“DVLA”) please visit www.dvla.gov.uk.

- I. For Insurance underwriting purposes, i.e. to examine the potential risk in relation to Your (and/or a third party’s) prospective Policy so that We can:
 - Provide Your (or any person included on the proposal) Driving Licence Number (“DLN”) to the DVLA to confirm Your (or relevant person included on the proposal) licence status, entitlement and relevant restriction information and Endorsement/conviction data. Searches may be carried out prior to the date of the insurance Policy and at any point throughout the duration of Your insurance Policy, including at the mid-term adjustment or renewal stage. A search of the DLN with the DVLA should not show a footprint against Your (or another relevant person included on the proposal) driving licence.
 - Search Your (or any person included on the proposal) ‘No Claims Bonus’ details against a No Claims Bonus database (“NCB”) to obtain information in relation to Your ‘No Claims Bonus’ entitlement. Such searches may be carried out against Your (or the relevant person included on the proposal) DLN, name, date of birth, Vehicle Registration Mark (“VRM”) and / or postcode. A search of the DLN against the NCB should not show a footprint against Your (or another relevant person included on the proposal) driving licence. Searches may be carried out at point of quote and if an insurance Policy is incepted at the renewal stage.
- II. For Anti-Fraud Purposes, i.e. to detect and prevent fraudulent claims and/or activities by:
 - Undertaking searches against Your (or any person included on the proposal) DLN against details held by the DVLA to confirm Your licence status, entitlement and restriction information and Endorsement/conviction data. This helps insurers check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure. A search of the DLN with the DVLA should not show a footprint against Your (or another relevant person included on the proposal) driving licence.
 - Search Your (or any person included on the proposal) ‘No Claims Bonus’ details against a No Claims Bonus database (“NCB”) to obtain information in relation to Your ‘No Claims Bonus’ entitlement. Such searches may be carried out against Your (or the relevant person included on the proposal) DLN, name, date of birth, Vehicle Registration Mark (“VRM”) and / or postcode. A search of the DLN against the NCB should not show a footprint against Your (or another relevant person included on the proposal) driving licence.

We will pass details of Your ‘No Claims Bonus’ to certain organisations to be recorded on a NCB database. This will occur if information requires updating or correcting at any stage, and also at the renewal stage of Your Policy and upon or after the cancellation of Your Policy prior to the expiry date.

Fraud Prevention and Detection

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information.

In order to prevent and detect fraud We may at any time share information about You with other organisations and public bodies including the police. We may check and/or file Your details with fraud

prevention agencies and databases, and if You give Us false or inaccurate information and We suspect fraud, We will record this.

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for You and members of Your household.
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage Your accounts or insurance policies.
- Check Your identity to prevent money laundering, unless You furnish Us with other satisfactory proof of identity.

In addition, We may undertake credit searches and conduct additional fraud searches, which may include requests for copy of driving licences, utility bills and other documentation (such as proof of occupation) to establish the identity of any person applying for insurance and validity of Policy information.

Credit Searches and Accounting

In assessing an application for insurance or Policy renewal, We may search files made available to Us by credit reference agencies. They keep a record of that search. We may also pass to credit reference agencies information We hold about You and Your payment record with Us. Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud. We may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring computations are used by Us, acceptance or rejection of Your application will not depend only on the results of the credit scoring process.

Please contact Your Broker if You want to receive details of the relevant fraud prevention agencies. We and other organisations may access and use from other countries the information recorded by fraud prevention agencies. Some of the registers We make use of are:

- The Claims and Underwriting Exchange (CUE). This is administered by the Motor Insurance Bureau (MIB). The CUE database is used by most United Kingdom insurers and holds details of most motor and household insurance claims.
- Insurance Hunter. This is a central insurance anti-fraud system to which other insurers also have access. This database is designed to combat activities such as identity theft and money laundering.
- The Motor Insurance Anti-Fraud and Theft Register (MIAFTR). This central database contains details of stolen and written off vehicles. This is administered by the MIB.

To protect Your interests, We will check any information provided against these registers for completeness and accuracy. If We find that false or inaccurate information has been given to Us, or We suspect fraud We will take action, which could result in prosecution. You should show this notice to anyone insured to drive Your Car covered under this Policy.

Important Legislation

Consumer Insurance (Disclosure and Representations) Act 2012

Under the Consumer Insurance (Disclosure and Representations) Act 2012, You have a duty to take reasonable care to answer all questions as fully and as accurately as possible. If You volunteer information which is over and above that requested, You must do so honestly and carefully.

You should check Your Statement of Insurance to ensure that all facts given are correct. It is an offence to make any false statement or withhold any information for the purpose of obtaining a Certificate of Motor Insurance.

Failure to answer all questions fully and accurately could invalidate Your insurance cover and could result in all or part of a claim not being paid.

Deregulation Act 2015

The Deregulation Act 2015 changed the way Certificates of Motor Insurance are treated. Previously, it was a requirement for a Certificate of Motor Insurance to be delivered to a motorist before their insurance was considered to be valid, this is no longer the case. There is now a greater reliance on the Motor Insurance Database (MID) for identifying that the relevant cover is in place for a motor vehicle. Prior to the Deregulation Act 2015, it was an offence for a motorist not to return their Certificate of Motor Insurance when the Period of Insurance ended, this is now longer necessary.

In order to confirm that You have effective motor insurance for Your Car, We strongly recommend that You check MID, which can be accessed at www.askmid.com.

Please note that if You have any communications from Us regarding the cancellation of Your Policy, MID will be updated in line with such communication. The holding of a Certificate of Motor Insurance no longer evidences that You have a valid and existing Policy of insurance.
